Foundation Gives RM216,000 To Help Needy Children In Kedah

THE Budimas Charitable Foundation brought cheer and hope to two children's organisations in Kedah by contributing RM216,000.

The foundation's chairman Tunku Datuk Yaacob Khyra presented two mock cheques for RM108,000 each to the caretakers of the homes, Rumah Nur Kasih, Langkawi, and Pusat Harian Sinar Harapan, Alor Setar.

The event took place during the closing ceremony of the 17th Royal Langkawi International Regatta 2019 at Kuah Bras Harbour Course, Langkawi.

The amount was collected through the corporate social responsibility programme of Royal Langkawi Yacht Club with Budimas.

"For the past 20 years, we have been fulfilling our mission which is to provide love and hope to underprivileged children.

"Over the years, we have witnessed the results of our intervention on children caught in the cycle of abuse, neglect and abandonment.

"We are truly blessed to have organisations like Royal Langkawi Yatch Club supporting our cause," said Tunku Yaacob.

Rumah Nur Kasih is an all-boys orphanage that has 64 children aged between seven and nine years while Pusat Harian Sinar Harapan is a centre where children with disabilities can learn skills.

Rumah Nur Kasih manager Wan Nur Maizan Azizan said the money would ensure the home could continue to operate.

"This contribution will help give these children a brighter future," said Wan Nur Maizan.

The foundation currently supports 60 welfare homes across Malaysia under the Budimas Home Charity Fund.

It has also built and operates seven libraries for orang asli communities via the Budimas Education Charity Fund.

It provides breakfast to over 4,000 less fortunate children in 113 schools across Malaysia.

These programmes help over 8,000 underprivileged children in Malaysia every year.
